

Worser Bay School Strategic Plan 2012-2015

Vision

At Worser Bay School children love learning. At our school the entire school community can

- See achievement celebrated and children valued as individuals
- Feel motivated and inspired to participate
- Experience success

Values

We value respect for ourselves, each other and the environment

Strategic Goals

1. Excellence in achievement

- Teachers have a sound knowledge and in-depth understanding of the New Zealand Curriculum Framework
- Student achievement continues to be improved across all learning areas and key competencies
- A holistic view is taken to educating the ‘whole child’

2. An engaged community

- Positive partnerships with parents and local community continue to be established and extended
- Students are at the centre yet have an appreciation and understanding of their wider community
- Opportunities are provided for the community to engage in multiple ways
- All school activities link to the school’s vision and values

3. Highly effective teachers who strive for excellence

- Individual accountabilities are linked to school direction
- A collaborative work culture exists across the school
- Professional learning and development is multidimensional, targeted to student needs and linked to individual goals and school priorities

4. Celebrating our place

- Students are equipped to take their place as members of a wider/global community
- The school community shares a sense of the vision and values
- The history of the school's site is recognised as is the role of guardian, or kaitiaki, now and in the future

We know we are there when we can:

See

- the variety of ways the school and community interact
- dynamic teaching and learning programmes
- key competencies in action

Hear

- excitement in the classroom and students supporting each other
- parents understanding their child's learning and achievement and how to support at home

Experience

- a seamless transition through the school
- a vibrant and welcoming environment
- achievement being celebrated
- a sense of guardianship by the community
