

## Year 0 – 3 Stationery List - 2012

Kia Ora Koutou

### Parent/ Teacher/Student casual catch up before school starts again in 2012

If you are able to, the teachers would love to catch up with you and your child at the inaugural 'stationery drop off and hello to 2012 time' Teachers will be in their spaces on Thursday 26 January and Monday 30 January between 2.00-5.00 pm. Pop in, get the tote tray and stationery sorted, get in 'the zone'.

If your teacher/s haven't had a decent catch-up on these days, they will call you within the week to say hello and touch base. Please diary, as if you can make it, it would be beneficial.

To achieve consistency across the school in 2012, purchasing or locating all of these listed stationery items is essential to ensure that your child can participate successfully in the classroom programme.

- **We have checked that the following books are stocked at The Warehouse Stationery.** Alternatively, you may compile your own stationery pack from other major stationery shops but you must buy the recommended brands on the list. (Print off the voucher from our website or pop in and get one from the school office if you are purchasing from The Warehouse Stationery as we get points for our school.)
- Some books have inferior quality such as paper which bleeds and lines that are not straight - that is why we have named specific brands.
- All students must also have a clearly named **sunhat**.

Thank you.
